About Finch

At Finch we specialise in providing solutions for HR professionals in order for them to design, implement and manage their Employee Benefit programmes.

We support clients through the review and benchmarking of their existing, or proposed programmes, against peers and competitors in their sector. Our solutions are tailored to be reflective of both budgetary and legislative requirements. We also appreciate the importance of helping our clients to communicate the value of these benefits to their employees.

Finch is able to provide help, support and strategic advice across the whole spectrum of Employee Benefits. We have particular expertise in Company Pensions, Healthcare, Group Assurances and Employee Communications.
