Careers and Recruitment

Free tickets are on sale now so book today to secure your place.

Please join us for our first Women Lawyers Yorkshire networking event of 2020, on Wednesday 18th March, 5:30-7:30 pm.

The theme is careers and recruitment. Special guest Caroline Naylor of **CRA consulting** will be speaking about legal recruitment and giving us her insights and tips. CRA are kindly sponsoring the event.

Whether you're a qualified solicitor, trainee or pupil, paralegal, legal executive, work in a support role, or whether you do your own recruiting, let's share experiences (good and bad!) in a relaxed and supportive environment with some nice food and a few drinks.

If you are at the start of your legal path or have one eye on the end of it, career questions and the legal job market can be confusing and frustrating. We hope that comparing notes with others and hearing from a specialist will help us all to negotiate it with more clarity and confidence.
